Join the **Laboratory to Combat Human Trafficking (LCHT)** in collaboration with the **Western Slope Against Trafficking (WSAT)** for an important discussion on how labor trafficking is impacting the region. Since 2020, LCHT has been convening Colorado's Human Trafficking Partnership Leaders with the goal of supporting and sustaining collaborative efforts to combat human trafficking at the community level. This is an extension of that effort. This forum will highlight the work of WSAT. You will hear from survivors, advocates, legal experts, and landowners who are working towards healthier work environments and equity in our food systems.

## **WHO SHOULD ATTEND:**

- WSAT members and community partners
- Leaders from Colorado's 20 coalitions
- **Please note: Pre-registration is required for zoom link.**

## **LEARNING OBJECTIVES:**

- How WSAT's long-standing partnership has evolved over a decade
- Coalition building promising practices
- Western Slope human trafficking cases
- Survivor and advocate expertise
- Practitioners sharing what they are doing to stop exploitation and seek justice

The Laboratory to Combat Human Trafficking ([combathumantrafficking.org](http://combathumantrafficking.org)) is a leader in Colorado's anti-trafficking movement. Since 2005, we have trained over 53,000 professionals and community members; conducted research to drive action and inform policy change; operated the statewide 24/7 human trafficking hotline; and developed over 190 future human rights leaders.
